

National Association of Research Fellows

of NHMRC, Incorporated

Call for nominations for the 2010 NARF Symposium Speakers

The 2010 annual NARF Symposium will be held during the Australian Health and Medical Research conference on Friday, November 17th 2010 at the Melbourne Convention Centre from 3.15pm to 5.15pm. The symposium will showcase research by three current NHMRC Fellows of outstanding caliber. The NARF Committee encourage NARF members, at all Fellowship levels, to self-nominate to present their research at this symposium. To nominate, please email the following to the NARF National Secretary, Assoc Prof Kay Double (k.double@neura.edu.au) by Friday, September 10th, 2010.

Title of proposed presentation

An abstract of a maximum of 300 text words

A statement of the benefits of your Fellowship to the research program

A one-page CV

Fellowship level

Members based outside Melbourne who are invited to present their work at the symposium will receive travel support, according to the distance traveled.
